AMENDMENTS TO THE SPECIFICATION

JAN 18 2005

Please amend the specification as follows:

Please replace the paragraph on page 12, lines 23-30 with the following paragraph:

--Handheld Internet appliance 20 has software plug-in 27 to implement the functions required to automatically load information from web site 23 into local databases of handheld Internet appliance 20 and to automatically post information from web site 23 into another web site. In addition, software plug-in 27 enables users to launch a web site directly from a local application as described in copending, U.S. Application Serial Number 09/834,376, filed on April 13, 2001, and to fill on-line forms on web sites with data stored in local handheld Internet appliance databases as described in copending, U.S. Application Serial Number 09/834,379 filed on April 13, 2001.
